## PROFESSIONAL SUMMARY

Motivated and proactive **BSc (Hons) in Information Technology** undergraduate with strong hands-on experience in **Full Stack Development**. Passionate about designing and developing modern, scalable web applications using **Next.js 16, React, TypeScript, Tailwind CSS, and PostgreSQL**.

I have successfully built and deployed multiple real-world projects, including POS Systems for retail businesses, full-stack e-commerce platforms, and interactive educational solutions. Skilled in both frontend and backend development, I focus on creating efficient, user-friendly, and responsive applications.

Eager to contribute my technical skills to challenging projects and grow as a professional developer.
